Month of Mary-May Devotion
"God wills that all his gifts should come to us through Mary"

(St. Bernard)

It was in Rome, towards the end of the eighteenth century, one fine evening in May. A child of the poor gathered his companions around him and led them to

a statue of Mary, before which a lamp was burning, as was the custom in that holy city. There these fresh young voices sang the Litany of our Lady. The next day the little group followed by other children again gathered at the feet of the Mother of God. Next came their mothers who joined the little assembly. Soon other groups were formed and the devotion rapidly became popular.

Holy souls, troubled by the disorderly conduct which always increases and becomes graver at the return of the pleasant springtime, saw in these growing practices the hand of God and they cooperated with the designs of Providence by approving and promoting this new devotion as a public and solemn act of reparation. And thus The Month of Mary was founded. In our own times, we Catholics, wanting to be close to her always, offer her special presents in May: pilgrimages, visits to churches dedicated to her, little sacrifices in her honor, periods of study and well finished work offered up to her, and a more attentive recitation of the rosary.

This is the month in which the most affectionate and fervent homage of prayers and devotions from the hearts of Christians are raised to Mary within churches and homes. It is also the month in which the Lord, from His throne, descends upon us the most generous and abundant gifts of the Divine Mercy.

In our own times, we Catholics, wanting to be close to her always, offer her special presents in May such as pilgrimages, visits to churches dedicated to her, little sacrifices in her honor, periods of study and well finished works offered up to her. In her honor we also engage in a more attentive recitation of the rosary.

Catholic Communication Collection

This weekend there is a special collection for support the Catholic Communication Campaign. Money from this collection supports all the different ways that Church evangelizers' use media, newspapers, advertising, the internet, etc.
