Office of Life, Justice and Peace
Justice for Immigrants Resources

We understand that many immigrants that we serve, as well as their families, are afraid and confused by recent announcements regarding potential enforcement actions. We encourage **you** to use the resources found on the Justice for Immigrants (**JFI**) website to help educate your community about their rights when interacting with Immigration and Customs Enforcement (ICE) and ways that they can prepare their families. JFI stands in solidarity with our immigrant sisters and brothers during these difficult times, and will continue to pray and advocate for their safety, well-being and family unity. The JFI website is:
