As the Catholic Diocese of Salt Lake City continues to grow our sustaining, mid-level, and major gifts donors the Office of Stewardship & Development seeks a **Donor Relations Specialist**. The Office serves 68 parishes and missions spread throughout the state of Utah and administrates the Diocesan Development Drive as well as the Bishop’s Annual Appeal for Ministry Support. The Donor relations specialist is an integral team member in the Office of Stewardship & Development, and is responsible for overall data management for the annual appeal, associated capital campaigns, and special events. The Donor Relations Specialist will pair stewardship theology with his/her database and data management expertise, to support and maximize the Development team’s effective use of our constituent’s relationship management (CRM) system, to meet the goals of the Diocese of Salt Lake City. In collaboration with the Director the Donor Relations Specialist will assist in providing stewardship consulting for parishes and missions, help respond to the needs of pastors and frontline parish-based fundraisers and execute the initiatives of the Diocesan Pastoral Plan.
