Month of Mary-May Devotion

"God wills that all his gifts should come to us through Mary "

(St. Bernard)

It was in Rome, towards the end of the eighteenth century, on one fine evening in May. A child of the poor gathered his companions around him and led them to the statue of Mary before which a lamp was burning as was the custom in that holy city. There these fresh young voices sang the Litany of Our Lady. The next day the little group followed by other children again gathered at the feet of the Mother of God. Next came their mothers to join the little assembly. Soon other groups were formed and the devotion rapidly became popular. Holy souls troubled by disorderly conduct,

which always increases and becomes graver at the return of springtime, saw in these growing practices the hand of God. In cooperation with the designs of Providence by approving and promoting this new devotion as a public and solemn act of reparation the Month of Mary was founded.

This is the month in which in churches and individual homes the most affectionate and fervent homage of prayers and devotions from the hearts of Christians are raised to Mary. It is also the month in which from His throne descend upon us the most generous and abundant gifts of the Divine Mercy.

During May we Catholics offer her special presents such as pilgrimages, visits to churches dedicated to her, little sacrifices in her honor, periods of study, well-finished works offered to her and a more attentive recitation of the rosary.

Catholic Communication Collection

Next weekend there is a special collection to support the Catholic Communication Campaign. Money from this collection supports all the different ways that Church evangelizers use media, newspapers, advertising, the internet, etc.
