**June Father's Day Parish Action Guide**

Fatherhood has its origins in God, who chose to reveal Himself to us as Our Father, sending his only Son for the sake of our salvation. Fathers therefore have a special role “in revealing and in reliving on earth the very fatherhood of

God” (Familiaris consortio 25).

Father’s Day is an appropriate time to recall the essential role of fathers in the life of the family and in building a culture of life. It is also an opportunity to highlight spiritual fatherhood, which all men are called to embrace.

**World Day for Grandparents and the Elderly**

On **Sunday, July 24, 2022**, the Second *World Day for Grandparents and the Elderly* will be celebrated throughout the Universal Church. The theme chosen by the Holy Father for the occasion is “*In old age they will still bear fruit*” (Psalm

92:15) and intends to emphasize how grandparents and the elderly are a value and a gift both for society and for ecclesial communities. The Dicastery for the Laity, Family and Life invites parishes, dioceses, associations and ecclesial communities throughout the world to find ways to celebrate the Day in their own pastoral context. The Dicastery for the Laity, Family and Life will later make available some appropriate pastoral tools. To see more follow this link:
