Office of Safe Environment

Involvement and communication are important factors in helping to ensure safe environments for all of our children and vulnerable adults. The Office of Safe Environment is committed to the protection of children, youth, and vulnerable adults. All employees and volunteers wishing to work with minors or vulnerable adults must be Safe Environment Certified.

If you plan to work with children or vulnerable adults at your parish or Catholic school as a volunteer, reach out to the parish/school Safe Environment Coordinator (SEC) to ensure that you are trained and certified prior to volunteering.

Refugee Family Mentors

Refugee Family Mentors reinforce the work of Catholic Community Services (CCS) staff by supporting clients in their cultural adjustment to the United States during their first two years of resettlement. CCS provides Family Mentors with tasks as they work with client families towards self-sufficiency. For more information or to sign up to volunteer contact Ermina Mustafic by email at emustafic@ccsutah.org or by phone at (801)428.1312.

This program partners with the McGrath Institute for Church Life at the University of Notre Dame and the Congar Institute for Lay Ministry based in San Antonio.
