or by appointment.

Special Collection Next Week: There will be a second collection next week for the Black and Indian Missions of the United States. The money from this collection helps support African American Parishes and the Native American missions in the United States Envelopes for this collection are on the back tables. *(Please put your donation envelope in with the regular Sunday collection next weekend.)*

SCAP Service Next Weekend: A Sunday Celebration in the Absence of a Priest (SCAP) will be celebrated next weekend by Deacon Tom Corrao of Monticello. Father Bill will be attending the annual Los Angeles Religious Education Congress.

Classic Car Show: The last Saturday of April, (April 29), the Classic Car Show will be held in the park across from the Church. This event raises about \$1500 for the Parish and all the Parish has to do is help direct car parking in the Church parking lot. Parish Council member, Marian Delay, has agreed to oversee the planning but she is looking for a volunteer to organize the event. If you would be willing to help, see Marian Delay or any Parish Council member and volunteer.

Memorial Mass for Leroy Tafoya: This Monday, February 20, a memorial Mass will be celebrated at 5:30 p.m. for

parishioner, Leroy Tafoya, who died a few weeks ago.

Information Please: There are many sources of information about upcoming events planned for the Parish. Of course, the most important and available is the Parish bulletin. Don't just take a copy home but read it for news about coming events or projects planned for the Parish. *(It is very frustrating when people say they didn't know about an event or renovation project when it has been in the bulletin for weeks before the event.)* There is the Parish website at www.stpiusxmoab.org. The web site has all the pertinent information about the Parish including recent bulletins, ministry schedules, and a calendar of events. Finally, we now have a Facebook page for the Parish so parishioners can keep informed about recent information. Please use all these resources to stay informed about what's happening in the Parish.

Thank You, Jim McGann: The Parish is grateful to contractor, parishioner and Parish Council member, Jim McGann, for planning and overseeing many of the maintenance and renovation projects in the Church including the laying of the ceramic tile in the sanctuary, installation of the tinted west windows to reduce the afternoon heat in the Church, installation of a security door on the rectory and painting and repair of the cry room and parish hall hallway that resulted from water damage. We are grateful for all the

work Jim continues to do on the Parish
Council for the maintenance and repair of
the Church.
