Confessions: Confessions are heard from 4:15 to 4:45 p.m. on Saturday afternoons

or by appointment. (*Confessions will resume next Saturday*)

Sacred Heart Mission Mass: Mass will be celebrated next Sunday, June 4, at 2:00 p.m. at Sacred Heart Mission in La Sal. The Mission is located on the main highway about 1 mile east of the post office.

SCAP Service Today: There will be a SCAP Service (*Sunday Celebration in the Absence of a Priest*) celebrated at both St. Pius X Church and St. Joseph Church in Monticello. This is the approved rite that is celebrated on Sundays and Holy Days when a priest is unavailable for Mass. Marian Delay, a trained and certified SCAP minister for the Diocese is conducting the services this week.

Weekday Mass Schedule Change:

Father Bill will be on his diocesan priest retreat until this Monday. There will be no 8:30 a.m. Mass on Monday. Masses resume at 8:30 a.m. on Tuesday.

Catholic Communication Collection:

This weekend there is a special collection for support the Catholic Communication Campaign. Money from this collection supports all the different ways the Church evangelizes using media, newspapers, advertising, the internet, etc. There will not be a second collection taken up this week. Envelopes for the collection are in the pews. If you would like to make a contribution in support of the Communication Campaign put your

envelope in with the regular collection.

No Coffee Social This Weekend: Since this is a holiday weekend and many are out of town, there will be no Sunday Social this weekend.

Parish Picnic Cancelled: The Parish Picnic that was originally scheduled for next Sunday has been cancelled. Since many in the Parish will be out of town next weekend, we decided to postpone the picnic until later in the summer.

Parish Lighting Project: In a few weeks we will be doing some major renovation in the Church as we remove the florescent lighting and replace it with new track lighting and pendant lights. The project will enhance the beauty of the Church and provide a more conducive light for worship. The project was approved by the Diocesan Arts and Environment Committee, by the Diocesan Vicar General and by the St. Pius Parish Council. The cost of the project will be \$23,000 for the new fixtures and electrical work. While we have money in savings to cover the project, several parishioners have asked for the opportunity to donate to the project. **We will, therefore, have a special collection to raise money for this project on the weekend of June 11th.** All the money raised will go toward this project and the balance will be paid out of savings. To date, more than \$1000 has already been contributed in support of this important renovation of the Church. Thank you for your support of this project.
