Parish Lighting Project: In a couple of weeks we will be doing some major renovation in the Church as we remove the florescent lighting and replace it with new track lighting and pendant lights. The project will enhance the beauty of the Church and provide a more conducive light for worship. The project was approved by the Diocesan Arts and Environment Committee, by the Diocesan Vicar General and by the St. Pius Parish Council. The cost of the project will be \$23,000 for the new fixtures and electrical work. While we have money in savings to cover the project, several parishioners have asked for the opportunity to donate to the project. **We will, therefore, have a special collection to raise money for this project next weekend, June 11th.** All the money raised will go toward this project and the balance will be paid out of savings. To date, more than \$1000 has already been contributed in support of this important renovation of the Church. Thank you in advance for your support of this important project that will enhance the beauty of the Church.

Interfaith Food Drive: Next weekend and the following weekend we will be collecting food for the Utah Food Bank. The new Moab interfaith council represented by all faiths in the area is working together on this project to address hunger in our community. Please bring your donation of non-perishable food to the Church next weekend or the following weekend.

Ordination of Stephen Tilley: A couple of years ago a seminarian for the Diocese of Salt Lake City named Stephen Tilley spent a few weekends at St. Pius X Parish. Many remember his wonderful reflections at Mass and welcoming personality. Stephen has been doing his theological studies in Rome for the past four years and was ordained a transitional deacon last summer. He will be ordained as a priest for the Diocese of Salt Lake City on Friday evening, June 30, at 7:00 p.m. at the Cathedral of the Madeleine. Everyone is invited to his ordination. Stephen will return to Rome for one additional year of study to complete his post graduate work before coming back to the Diocese for a permanent assignment.

Thank You: In the past few weeks we have had several events in the Parish requiring volunteer help. First, we would like to thank everyone who helped with the funeral luncheon for Dixie Brown that was held on Saturday, May 13. Special thanks to Carolyn Lema and Shirley Brewer for organizing the luncheon. Thanks also to everyone who helped with the set-up, clean-up, serving and food preparation. On Sunday, May 14, the Parish celebrated First Communion for two of our children. Thanks to Deb Slechta and Marian Delay for overseeing the social after the event and thank you to Marian and David Delay for getting the cake and Debbie Munger for the flowers.
