An Appeal for Financial Support.

St Pius X is one the mission churches in the Diocese of Salt Lake City with less than 50 families. As a mission Church, we lack the adequate funds

We have 2 projects: The parking lot and new lighting/fans in the Church. These two projects is estimated to cost us \$28 000 00. We ask that you consider a donation to these special projects. If you would consider a donation, please put it in an envelope with your name and address and drop it in the regular collection or mail it using our Post office box.

As people of faith moved by pity for this little mission church, we would be delighted by your donation. I could recall the words of Jesus in the Gospel of Matthew “Truly I tell you, wherever this gospel is preached throughout the world, what she has done will also be told, in memory of her” May God bless you for reaching out to us.
