Our Churches and Schools are not immune from shootings and other violent attacks. The training is located alongside the safe environment certification training in CMG Connect at [https:// saltlakecity.cmgconnect.org/](https://saltlakecity.cmgconnect.org/). For more information on accessing the training, see the Diocesan Safe Environment website at: <https://www.dioslc.org/offices/office-of-safe-environment>.

The Intruder Security Training is required **for** Clergy, Catechists, Employees, Knights of Columbus, Principal/Administrators and Teachers and is optional for Volunteer. However, the training is highly recommended for Ushers.
