**Diocesan Development Drive:**

Parishioners are reminded that we have not met our goal on Diocesan Development Drive 2018 (DDD). Our parish record is saying that only 30 families pledged for this year and they have all redeemed the remaining 4 families. I'm making a passionate appeal to families who have not pledged to consider making a pledge. We are short \$4.000 dollars.

However, families who have redeemed their pledges and who would also like to help please we would be happy to receive your donation.

May God bless you for the wonderful support to our parish and our diocese. We also pray for God's continuous blessings on our visitors who donated generously last year to help us reach our goal
