Diocesan Development Drive:

Parishioners are reminded that we have not met our 2018 Diocesan Development Drive goal. Our parish record is shows only 30 families pledging for this year. All have redeemed except 4 families. I'm making a passionate appeal to families who have not pledged to consider making a pledge. We are short \$4,000 dollars.

Families who have redeemed their pledge and would also like to help, please, we would be happy to receive your additional donation. May God bless you for the wonderful support to our parish and our diocese. We also pray for God's continuous blessings on our visitors who donated generously last year to help us reach our goal.

Carmelite Fair 2018

**Please help the Nuns who pray for
you**

The Carmelite Fair is the main source of annual income for our Carmelite community. We'll be very grateful for your support. Your kindness and generosity will help to enable us to continue our spiritual service of prayer in the State of Utah. May God reward you abundantly and grant you peace and good health.
