Diocesan Development Drive:**
Parishioners are reminded that we have not met our goal on Diocesan Development Drive 2018 (DDD). Our parish record shows that only 30 families pledged for this year and they have all redeemed except for 4 families. I'm making a passionate appeal to families who have not pledged to consider making a pledge. We are short \$4,000 dollars. However, families who have redeemed their pledges and would also like to help we would be happy to receive your donations.

May God bless you for the wonderful support to our parish and our diocese. We also pray for God's continued blessings on our visitors who donated generously last year to help us reach our goal
